Meeting starts at 3:16

Introductions- Kim Dickinson, Shannon Ramsinghani, Trini McCorkle, Chris Mungia, Abby Mungia, Milli Jaggard

4 parents present at the meeting.

Chris Mungia: Conducting Meeting in Spanish. Introductions and why we are holding this meeting . We are here to support parents. ELAC- responsible for services provided to your ELL students. Need for a President a parent of the family that supports the students. Is there anyone that is interested in being a president? The responsibility is not much. Represent ELL student population. We assess the needs of our students and discuss the needs for our students. Tell us what is going on with the community that effect our students. We can communicate with you by calling you our emailing you. It will not require you to come to school that often.

Choose another date for another meeting- Talk about what we do in ELL program, also conducted in Spanish. See power pt.

Please write down check off sheet what needs do our students have? Check off the needs. Anything specific. Information on our website our daily bulletins are translated in google translate. Schedule will be there. Parents parent portal- codes- Illuminate comes up in Spanish. Visit our ELAC website information has agenda and minutes to our meetings and links to Ca Dept. of Ed. Family Connections important for parents to know regarding Family Connections. Milli Jaggard introduced Family Connections- Click here to register, access code- you were given the code to get on Illuminate. Both parents have different codes for access, you can access students grades and attendance on this website. Family Connections: Naviance Log in:- User name and password on family connections. You can submit college applications, recommendations etc. all through family connections.

Parents get a chance to share their experiences about their students in their classes.

Next Meeting March 25th 3pm. Chris concludes meeting and collects the needs of our parents. And Next Meeting was scheduled for March 25th . Want this population in the school community and would like to for you to tell your friends and get more involved in the school. Parents discussed issues with communication. Students don't take fliers home and phone calls don't go home. Some students are not in the Mrs. Dickinson's class and do not get the information home regarding ELL program.
